

PERMISSION to RELOCATE CHILD(ren) to designated FACILITIES in case of an EMERGENCY EVACUATION

For Kids Only Preschool has two relocation centers should we experience the need to evacuate our building:

The Saco Fire Department located at 271 North Street. The facility has back-up generator power, cooking facilities, a supply of folding cots, and ample bathrooms.

The Young School located at 75 Tasker Street can also comfortably accommodate our little friends and staff.

I hereby give the staff at For Kids Only Preschool permission to transport my child(ren), _____ and _____, to the Saco Fire Department or Young School emergency relocation sites for staff, teachers and children when it is unsafe to remain at the day school facility. I understand that normal safety rules will be followed, as much as possible, but that the highest priority is to relocate to a safe location.
