

# A FINAL NOTE

*It is important that you feel comfortable with our policies and procedures. If you do not understand something, have a concern, or you feel uncomfortable with one or more of our policies and/or procedures it is important that you express that to us before enrolling your child in our daycare. We are always open to suggestions and feel communication is a very important part of a quality daycare. If there are any problems or concerns in the future, we encourage you to talk to us about them. If a lengthy discussion is needed, a time that is convenient for both of us will be scheduled, as the other children still need our attention during business hours.*
